LINDSEY!

Hi Lindsey! As hostess of our Naughty Nudes special, can you tell us three things that are nicer to do naked?

Number one: take a shower. Number two: sunbathe. But only if you're on your own.

Don't you burn your sensitive bits, though? No, I rub lots of sun cream on them and it's fine.

Crikey! And number three?

Anything rude, obviously! It's always more fun if you're naked.

You recently did a shoot with 50 Cent. Did he try it on with you?

Not really. I was topless in his office and he started flirting, but that's all. He's quite charming. It was weird, though, because I was stood there with this other topless girl and his kids were in the room!

That's very odd. Do you think you could have him in a fight? Yeah.

I'd just kick him in the balls!

What if he blocked it by crossing his legs? I'd pinch him on the back of his arms. That hurts!

What one thing are you most ashamed of? I'm addicted to spicy curry Pot Noodles. I get through loads of them. I eat the noodles with a fork first, then neck the sauce like a pint!

Speaking of sauce, what saucy stuff have you got up to in the bedroom recently? I've been dressing up a lot. I like to keep my heels on in bed because they make my legs look nice.

Have you ever spiced things up in bed by tying a bloke up?

No, but it would feel good to have power over a man – especially if we'd had an argument. I could seduce him, make him think I'd forgiven him, then go shopping!

Do you realise no man is ever going to let you tie him up now you've said that? Oh, I'd make it up to him when I got home. After five minutes in my hands, he'd soon forget about what I'd done.

Finally, would you say you're the naughtiest girl on this shoot?

Definitely! I've done things you wouldn't be able to print in *Nuts*. We're not talking "pinching a Mars Bar" naughty. I know. I'm still not telling you what I get up to, though. You'd pass out! ➡

Holly shows
us her fan

HOLLY!

Hi Holly! What's your funniest ever naked moment? I was doing the ironing in the buff this one time and looked up to see the window cleaner staring right at me! We smiled nervously at each other, then I ran into the bedroom. But I reckon he must've seen the lot.

The jammy swine! Have you seen him since? Yes, he seems to come round a lot more often now!

When you're getting naughty in the bedroom, do you prefer to be totally naked? No, it's nicer when you have something sexy on. Then you can tease and give a cheeky flash of something to get the man's imagination going. When I go to bed with a guy, I always keep my underwear on.

Would you walk to the shops naked for £100? Yes, definitely – especially if I was skint. I've been topless in the street lots of times.

Are you just as daring in the bedroom? Yes and no. Some lads don't like it when you dress up and take the lead. I once dressed up as a sexy chauffeur for a boyfriend. It was really tacky but it had the desired effect, as he whipped it off in seconds!

Finally, there are lots of hot ladies on this shoot. Whose boobs do you most enjoy looking at?

I really like Peta's. They're really perky and full, and you just know they'd be a lot of fun to play with. If I was a bloke, I don't think I'd ever get bored of them. ➔

PETA!

Hi Peta! Can you tell us the **strangest place you've been nude and naughty?** I was quite naughty at Camber Sands in East Sussex once.

I was on a shoot with some other girls and we started running around naked while all these middle-aged couples sat eating picnics. They really didn't appreciate our display!

They must've been mad! Has any other funny stuff happened to you while you've been naked?

I had to do a naked shoot at an ice rink once but I'm so clumsy, I kept falling over. It must've been like watching a Great Dane on ice, as my legs were going everywhere. It wasn't very sexy!

Where's the last place in the world you'd want to swim naked?

In one of those aquariums that have a tunnel you can walk through, as people would be able to see me from all sorts of incredibly unattractive angles. Obviously, the sharks would be a concern, too!

Do you ever look at yourself in the mirror and think, "Cor, I'm really fit and have fantastic big boobs"? No! I'd be an idiot if I did that. If I get dressed up on a Friday or Saturday night, I might think I look all right – that's if my hair behaves!

Do you think there'll ever come a time when blokes get bored of looking at boobs? I'm completely baffled by the fact that men never tire of looking at or touching boobs. They can never get enough of them. So the answer would have to be no.

Are you naughty or nice? I'm usually naughty, which is best because it makes life a bit more exciting. I wouldn't want to be constantly naughty, though – I'd hate to end up as a jailbird!

Finally, do you ever have that dream where you're walking down the street naked? No, because I'm naked most days anyway, so it isn't a big deal to me. People get more embarrassed seeing me naked than I do being naked. As far as I'm concerned, it's my work uniform. Ha-ha! ➡

NAUGHTY NUDES

"I ALWAYS DO
YOGA NAKED IN
MY BEDROOM!"

Despite its best
efforts, necklace
still wasn't centre

RHIAN!

Hi Rhian! When you're at home, do you prefer being naked or clothed? Naked. You have much more freedom with no clothes on!

Does that mean you prepare meals in the nude? I haven't done that yet but I'd certainly try it if I was making something with cream, as I could just lick it off my body if it got a bit messy.

Crikey! We have a theory that getting naked would be a good way to cure all the world's ills.

Do you agree? Yes, because I love people watching me and I'd be in my element watching people naked, too.

Who'd be crowned queen of this new naked world, thanks to her royally impressive boobs?

Peta, because hers have grown so much. They're massive – they should have their own postcode!

Are you generally naughty or nice? I'm nice. I just ran 5km for Breast Cancer Awareness.

Well done! Did Taio Cruz call you after you said you fancied the pants off him? Sadly not! That was blown way out of proportion anyway. There were some "editing errors", I think.

What's the naughtiest thing you've done recently? I was driving back from a bondage party the other night and got stopped by two police officers for "alleged drink driving". But the breath test was negative.

I expect they saw you drive past and thought, "She looks nice – let's find a reason to talk to her." Well, when I got out of the car, they said, "You're that model, aren't you?" Then they interviewed me for half-an-hour, even after the breath test!

Finally, what's your funniest ever naked moment? I always do yoga naked in my bedroom and the other day, I saw a curtain in the house opposite twitching. My mum has a go at me for teasing the neighbours, but I can't help myself. I love a bit of attention! ■
